GUARANTY

This Parent Guaranty Agreement (the "Guaranty") is made on this 3rd day of January, 2000 by Dynegy Inc. (the Guarantor), a Delaware corporation in favor of the Illinois utilities that provide delivery services for the electric supplied by Dynegy Energy Services, Inc. to Illinois retail electric customers under the single billing services option (the Beneficiaries) in consideration of the potential financial losses that the Beneficiaries may incur due to the non performance of Dynegy Energy Services, Inc. (the Debtor) by lack of full and timely payment of any amounts due to the utility in accordance with the terms specified in the single billings tariffs

The Debtor intends to enter into one or more contracts with the Beneficiaries involving the delivery of electricity to Illinois retail customers (the Transaction). The Debtor is a subsidiary of the Guarantor. As part of the Transactions between the Beneficiaries and the Debtor, the Beneficiaries may incur financial losses if they are not paid in full in a timely manner by Dynegy Energy Services, Inc. Guarantor wishes to provide this Guaranty to the Beneficiaries as part of Debtors consideration for such Transactions.

Accordingly, the Guarantor hereby agrees as follows:

1. Subject to the terms and conditions contained herein, Guarantor unconditionally and irrevocably guarantees to the Beneficiaries, its successors, endorsees and assigns, the prompt payment when due of all future payments due Beneficiaries from Debtor of monies the Debtor collects under single billing tariffs adopted pursuant to Section 16-118(b) of the Act [220 ILCS 5/16/118(b)] (the "Act") due to non performance by Dynegy Energy Services, Inc. (the Obligations). Guarantor agrees to be held responsible for the Obligations, and agrees to pay the Obligations upon the failure by the Debtor to make any payments, which are due, and payable at any time. The obligations are deemed to include, without limitation, interest and any other charges due and payable, such as late fees, service charges, cover costs or liquidated damages (but only if, and to the extent, provided for in the underlying contract). Nothing contained in this Guaranty shall require Guarantor to make payment of any amount that has not otherwise been paid to Debtor by a retail customer served by Debtor pursuant to this single billing option. In no event shall the Obligations include consequential, incidental, punitive, exemplary or indirect damages in tort, contract or otherwise. This Guaranty shall constitute a Guaranty of payment and not of collection.
2. The Guarantor's obligations hereunder with respect to any Obligations shall not be affected by the existence, validity, enforceability, perfection or extent of any collateral for such Obligations. The Beneficiaries shall not be obligated to file any claim relating to the Obligations owing to it in

the event that the Debtor becomes subject to a bankruptcy, reorganization or similar proceeding (whether voluntarily or involuntarily), and the failure of the Beneficiary to so file shall not affect the Guarantor's obligations hereunder. In the event that any payment to the Beneficiary in respect to any of the Obligations is rescinded or must otherwise be returned for any reason whatsoever, the Guarantor shall remain liable hereunder in respect to such Obligations as if such payment had not been made.

3. Upon the failure by the Debtor to make payment due to the Beneficiaries, the Beneficiaries will be required to request payment from the Guarantor. Such demand shall be in writing and shall state the amount Debtor has failed to pay and an explanation of why such payment is due, with a specific statement that Beneficiary is calling upon Guarantor to pay under this Guaranty. Other than such demand for payment, the Guarantor hereby expressly waives all notices of the making of the Transactions between the Beneficiary and the Debtor, all notices with respect to such Transactions and this Guaranty, and any notice of credits extended and sales made by the Beneficiary to the Debtor and all other notices whatsoever.
4. The Guarantor consents to any extensions of time for the payment of the Obligations guaranteed hereunder, to any changes in the terms of any contract between the Debtor and the Beneficiaries and to any settlement or adjustment entered into between the Beneficiaries and the Debtor. Guarantor hereby agrees that its obligations under the terms of this Guaranty shall not be released, diminished, impaired, reduced or affected by any failure of the Beneficiaries to notify Guarantor of any renewal, extension or rearrangement of the Obligations guaranteed hereunder. No delays on the part of the Beneficiaries in the exercise of any right or remedy shall operate as a waiver thereof, and no single or partial exercise by the Beneficiaries of any right or remedy shall preclude any other or future exercise thereof or the exercise of any other right or remedy.
5. This instrument is a general and continuing guaranty and shall remain in full force and effect unless and until revoked by the Guarantor on not less than 10 days written notice. Any such revocation of the Guaranty issued by the Guarantor shall in no way affect any Obligation, which arose or was existing on or before the effective date of such revocation. Any such revocation needs the approval of the Illinois Commerce Commission.
6. The Guarantor reserves to itself all rights, setoffs, counterclaims and other defenses to which Debtor may have to any Obligation, other than (a) defenses arising from the bankruptcy or insolvency of the Debtor, and (b) any other defenses expressly waived by the Debtor in its contract with the Beneficiaries or otherwise waived in this Guaranty.

7. This Guaranty shall inure to the benefit of the Beneficiaries, its successors, assigns and creditors, and can be modified only with the approval of the Illinois Commerce Commission. The Beneficiaries shall have the right to assign this Guaranty to any person or entity without the prior consent of the Guarantor; provided, however, that no such assignment shall be binding upon the Guarantor until it receives written notice of such assignment from the Beneficiaries. The Guarantor shall have no right to assign this Guaranty or its obligations hereunder without the prior written consent of the Illinois Commerce Commission.
8. In the event that the Guarantor becomes insolvent, this Guaranty is ranked equally with other guaranties made by Guarantor.
9. This Guaranty shall be governed by, and construed in accordance with, the internal laws (but not the laws concerning conflicts of laws) of the State of Illinois.
10. The Guarantor, in the person of the undersigned officer, represents and warrants to the Beneficiaries that it is authorized to guaranty the Obligations, that it has all of the rights and powers necessary to do so, and that the individual signing below is authorized to bind the Guarantor to its obligations under this Guaranty.
11. This Guaranty supersedes and terminates all prior guarantees to the Beneficiaries or its affiliates issued by the Guarantor on behalf of the Debtor.

In witness whereof, Guarantor has signed the Guaranty as of the date first above written.
